

# *Lest We Forget*

**President's message:** In early November Rod Wallace, Rosalie and I attended an introductory presentation by the Calgary Metal Detecting Club. You would normally think of metal detecting or treasure hunting as a solitary pastime. You have your detector out in front of you with your headphones on. You are in your own little world listening to the beeps in anticipation of that lost gold ring inches below the surface. Their club is far from a solitary pastime. What we found was a very active and social club of 75 members who go out, year around, very often working as a group to search potential sites for buried treasures. What struck me was the similarity between our clubs. While restoring a Model T can be a solitary exercise, we have turned it into a community through this club. Many of my best friends are fellow members. Without this club I know that I would not enjoy my Model T to the that extent I do. Thank you to all of you for making this a strong and successful Club. As I write this, we are anticipating a major snowfall and a prairie storm. As much as I enjoy driving my Model T I am thankful that it is not my everyday driver as it was for my grandfather. I don't have to heat up river rocks on my wood stove to keep Rosalie's feet warm as we drive to town to get supplies

Harry Lillo

**From the Editor:** The feature article this month is from Chris Brancaccio on their recent Model T Tour in Australia. Thanks Chris. Thanks to Chris Bamford for his continued insight into the English language with proof reading, and Glenn McDonald for his *T Tool Time* items of what the club has available for our use.

Ross Benedict

## Minutes of the Foothills Model T Ford Club Meeting October 23, 2019 – The Hangar

President Harry Lillo called the meeting to order at 7:03 pm. 31 members attended. Harry thanked Rod Wallace for filling in at the September Meeting.

**Minutes** – Kristen moved minutes from September be approved as circulated. There were no errors or omissions noted. Seconded by Darren Lloyd. Carried.

**Treasurer's Report** – Larry presented the finances for September, and moved his report be approved as presented, seconded by Peter Anderson. Carried. Larry noted that we have eleven members that receive the newsletter by mail. Larry has contacted those members and arrangements have been made for seven of the members to receive the newsletter thru family or neighbors that have access to the internet. Darren can create a group email only for those seven to eleven, they will only receive the newsletter not the rest of our email items. This will reduce the printing and mailing costs for the club.

**Membership** – Eileen reported the following: as of tonight, we have 21 memberships for 2020. My office is open tonight for membership payment. Kristen and I have a tentative new roster here tonight. Sometime this evening would you all please check this roster to see if all the information is correct - name, address, phone number, your MTFCA number, your Model Ts you own as well as the condition of your Model Ts. We are working on a new roster and we would like to have the information as up to date as possible. If any members wish to purchase a name tag, would you please contact me or Art Jewell. The cost of pins is \$5.00 each and is payable on ordering. You have a choice of a magnet or a pin backing. We will try to have them ready at the next meeting.

**Newsletter** – Ross reported that all was going well with the newsletter. He will send a PDF copy to Darren so that he can email it out the 11 members without internet or email access.

**Website** - Darren reported that all was well with the website.

**Tools** – Glen reviewed who had what tools just to ensure his inventory was correct. He provided an updated inventory list to Kristen for her records. Les displayed the new fixture and gasket for testing the head and or block for cracks. Motion by Glen that the club purchase from Les the new fixture and rubbers gaskets for \$250.00. Seconded by Robb Wolff. Carried

**Discussion:** What does the club wish to do with tools that are not necessarily used on Model T's and / or have not circulated for many years? Glen has been posting tools in the newsletters with photos and descriptions on their use.

- Kristen asked if they could be sold and the funds used towards tools more beneficial to our club.
- Peter asked if we shouldn't be keeping them for historical purposes (rarity)
- Is there a better location to store these items?
- Have a garage tour to see what all the tools are

## T Footnotes

- Tabled to next meeting – members should think about what should happen with these items.

**National Club** – Keith reported that new magazine is out and that nominations for Directors is included. Chris Brancaccio is running this year. Chris will be at the November Meeting and will ask if we can send in voting cards as a group. Chris reported that Australia T Tour was good and to look for an article in the newsletter.

**Librarian** – no report.

**Tours** – Rod reported that the fall colour tour was cancelled due to bad weather but reported that the Turkey Dinner at Bearberry on October 20<sup>th</sup> was delicious and well attended. Glad that many of our members were able to make it out there. The community cooked 80 turkeys and it is believed they served 600 people.

Spring or summer tour to Fred & Terri Holt's area around Medicine Hat. Members would like to do this, depending on timing as some are considering the Spokane tour July 18 – 23, 2020. Suggestions for some winter activities included garage tour, trip to Reynolds and / or workshops – bring ideas to the November Meeting.

**Old Business**- Christmas Party will be on December 7<sup>th</sup> and will be a buffet meal, starting at 11:00 am and will be held at the PZA Parlour.

**New Business**- Elections will be held at the November Meeting.

- Topics for future meetings with guest speakers including:
- antique license plates and where and how they should be displayed.
- Chris and Keith reported that city police have come to discuss items pertaining to antique cars at Model A club meetings. What do they or the RCMP expect from us?
- Al Riise reported that the SVAA President could speak on some of these issues also
- how to register home built trailers, insurance, tires

Al Riise reported on the SVAA Meeting held in Red Deer. There will be an election of officers in May they will be looking for a new president and some directors.

He asked how many cars were inspected at safety check. – Twelve were reported. He also asked what our club does for charity events.

1. Monetary donations in past years to Inn from the Cold, Veterans Food Bank, Stars
2. Show and shines at Senior homes and the Belcher, Heritage Park

Swap meet in Lethbridge will be held February 15<sup>th</sup>, 2020.

Meeting adjourned at 8:45 pm. Art Jewell won the 50/50 and Ross Benedict won the Ford Lock donated by Ron Rigby

Thank you to Larry for donuts and cookies.

**Tech Talk** – Robb talked about a seal for rad caps and Les displayed his taillight project and brake assembly system he purchased in the US.

## Australian National Tour – Maryborough Queensland

September 29 to October 5, 2019

by Chris Brancaccio

The tour was based out of Maryborough, Queensland which is approximately 3 hours north of Brisbane in the area known as the Sunshine Coast. We arrived on the Friday before the tour to give us a bit of time to get over our jet lag. One of the first things you notice when you arrive in Australia are the different place names. These were some of them on the way up; Caboolture, Currimundi, Mooloolaba (our favorite place) Maroochydore & Boonooroo.

**Sunday** was registration day and the welcome reception. Rose & I were the only Canadians, Kim & Jerry Kramer & Carol & Keith Gumbinger were from the US, there was also another couple from the US and a couple from New Zealand.

You can see 2 of our day trips on this map, Hervey Bay & Tin Can Bay as well as tour central Maryborough was the birthplace of Pamela Travers, the author of the Mary Poppins series of books, and one of the reasons the tour was being held here.

Link to the Mary Poppins Festival - <https://www.marypoppinsfestival.com.au/>

Link to the Mary Poppins statue. Also scroll down for a map of the area.  
<https://www.visitfrasercoast.com/Detail/ID/Mary-Poppins-Statue>

**Monday** was a drive in the country, with a tea break in Tiaro and lunch at the Theebine Hotel.

Cars lined up in a park in Tiaro.

Theebine Hotel where we had lunch, typical Australian (& British) Bangers & Mash.

**Tuesday** was a longer drive to Tin Can Bay with a stop at a macadamia nut farm. We had a good education there, as well as some tasty mac nuts.

The macadamia nuts are picked up by a machine like the machine you see on a golf driving range that picks up golf balls. They then go into a bin on the side of the machine and are sent off for processing.

Mac nuts have two shells, an outer and an inner, before you get to the good part.

Cars lined up between the rows of trees on the farm.

**Wednesday**, we went to Hervey (pronounced Harvey) Bay via Burrum Heads. That evening we had dinner & a movie. We were able to see the movie Mister Banks, which is about Walt Disney & how he managed to persuade Pamela Travers, the author of Mary Poppins, to make her story into a movie.

**Thursday** was display day in downtown Maryborough. There were lots to see with one of the main attractions the Story Bank building where Pamela Travers was born. The building was originally a bank on the main floor and living quarters above. It now serves as the Mary Poppins museum with her statue out front.

**Friday** was a shorter day with a visit to a sugar cane farm and then the closing banquet.

Every day of the tour, we had morning tea from the Tucker Truck, a TT made into a food truck by 'Ralph the Handyman'.

# CLUB BULLETIN BOARD

**REMINDER: 2020 Dues are Due by December 31.  
Please see Eileen at the meeting!!**

**Please advise Les or Karen Schubert by  
November 27 if you are attending the  
**Christmas Party** on Dec 7 at PZA Parlour**

**The executive is seeking input into what the  
members would like to have speakers attend and  
discuss. Trailers? Licensing a T? Lighting? Or?**

**Kristen and Eileen are working on an updated  
Club Roster. Please advise either of them of  
any changes you might have. - T's owned?  
New address, phone #, e mail address, etc.??**

**Eileen can be reached at [thejewells@telus.net](mailto:thejewells@telus.net) - Kristen at [peter05@telusplanet.net](mailto:peter05@telusplanet.net)**

**Please Note: We have adjusted our  
meeting time, to a starting time of**

**7:00 PM**

## UPCOMING EVENTS:

**November 27** Club Meeting - The Hanger, Calgary @ 7:00

**December 07** Christmas Party -@ **A NEW LOCATION**

-PZA Parlour 9737-Macleod Trail SE, Calgary

**JANUARY 22** Club Meeting - The Hanger, Calgary @ 7:00

**FEBRUARY 15** LETHBRIDGE SWAP MEET (See ad)

## BIRTHDAY WISHES

**DECEMBER** - 2 TOM CERKVENAC, 4 IRENE RIGBY, 5 VERONICA WATSON, 7 PADDY MUNRO, 8 HARRY LILLO, 10 STUB STAFFORD, 12 BARRY MOYER, 13 JIM PATTERSON, 14 DAVID COOLEY, 19 ART BENT & BILL POLLOCK, 27 LINDA SKIBSTED, 28 BOB HAUSWIRTH, 30 KIMBERLY GREENIZAN, 31 BARBARA CANNING

**JANUARY** - 1 MICHELLE BELANGER & ANNA KYNOCH, 5 MAURICE CAMPEAU, DEBRA FENWICK & WILMA SQUIRE, 14 GREG STAPLETON, 17 MIKE CUFFE & GLEN HOWTON, 18 KEN CANNING & OREST KITZUL, 21 TED ZYLSTRA, 22 ROBB WOLFF, 25 RICK SKIPSTED, 27 GAIL BENEDICT, 29 MARTINE BURGESS, 31 JANE TAYLOR.

Our new Head Pressure testing plate and gasket to check for cracks in your block or head.

## Random Tech Tips with Robb Wolff

### PROTECTING MODEL T/A WIRE WHEEL RIMS

After you have finally found good wire wheels, had them sandblasted and powder coated, what can be done to protect the rims when mounting the tires? Here is an idea. Cut two or three lengths of ½" fuel hose. Reinforced plastic spray wand hose (photo of hose from Princess Auto) may work better. Split the hose on the inside of the curve and slip it over the rim. In my test, removing a frozen tire from a spare rim, the short lengths of hose didn't stay in place very well, but they did protect the rim from being chipped. They did however leave black smudges on the paint. A short piece of masking tape on the rim should fix that problem. A longer length of hose might stay in place better.

## T Tool Time

### Knife Edge Balancing Jig

This tool is another of Emile Hermery's hand made tools. It is used for static balancing fly wheels and transmission drums. It comes with an array of mandrels by which this can be accomplished.

Non-member advertisements relating to the Model T will also be published free of charge as space permits. Send info by e mail to the editor at [rbmanagement@shaw.ca](mailto:rbmanagement@shaw.ca) or call 403-651-1612 Check the website for current classifieds.

<http://www.foothills-t.club/classifieds/>

**Radiator Wanted:** My poor Lizzie overheated three times during the Heritage Park parade. Apparently, I have an inferior aftermarket radiator installed. Would anyone have a low hood radiator kicking around? It doesn't have to be in perfect shape, just repairable. My T is a 1917 model. Thanks, Jake Visser. 403 968 2781

**For Sale:** 1925 Tudor, Running, good tires & upholstery. Contact Ken and Barb Canning at

403-932-5522. \$13,000 OBO

**For Sale:** My father (Roman Fodchuk) recently moved to a care home, I have the task of processing his belongings here in North Vancouver. When he moved west, several Model T parts came with him! I have inventoried the boxes along with photos of what I'd like to sell. I'd be willing to drive the goods back to Alberta, if necessary, should you wish it all. I am open to selling individual items or boxes, too, with shipping cost at the buyer's expense . . . . Make me an offer. For additional photos click on [www.foothills-t.club/classifieds/](http://www.foothills-t.club/classifieds/). Click within the ad for detailed list and descriptions.

Contact Kathryn Dobbin [kmdobbin@shaw.ca](mailto:kmdobbin@shaw.ca)

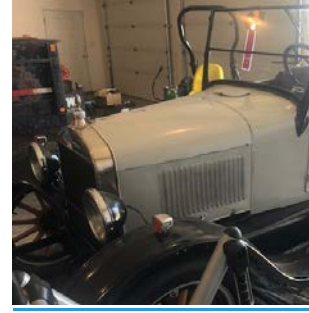

**Parts Wanted:** Full or partial set of 25-27" rims, wheels, or related what-have-you for a 'teens speedster project. Chris Bamford, 780-445-0156

[chrisjbamford@hotmail.com](mailto:chrisjbamford@hotmail.com)

**Parts Wanted:** 26-27 Ford Script, 'H' style headlight lens & nickel-plated rim. Rod Wallace 403 932 1774, [wallacerod1@gmail.com](mailto:wallacerod1@gmail.com)

**For Sale:** 1926 Ford Model T Touring. Fully restored. Maintained in heated garage. Currently located in Red Deer. Owner believes it needs a new radiator (or core) and magneto. Buyer to receive restoration photos. Recently appraised by Appreciated Vehicle Appraisal Group at \$15,500. Asking \$13,000 OBO. Contact Jay at (778) 351-3609 or [jaylisasimpson@shaw.ca](mailto:jaylisasimpson@shaw.ca) Additional photos at [www.foothills-t.club/classifieds](http://www.foothills-t.club/classifieds).

**For Sale:** 1927 Model T Touring and additional parts. Engine was rebuilt by Star Motors - Edmonton. Newer tires and spokes. Has top, but no side curtains. Contact Mrs. Wendy Jager for further information and price. Contacts: 1-780-786-4648 or 1-780-305-9297, Box 930, Mayerthorpe, Alberta, T0E 1N0, e mail at [wendyjager19@gmail.com](mailto:wendyjager19@gmail.com)

**FOR SALE:** 1927 Model T Pick Up, needs restoring, has most of the parts from what I can tell. Comes with 2 radiators, windshield and frame, and a gas tank. There is also an additional engine block with the truck, period correct, one that is in truck now is from a 1922, I believe. \$5000 OBO. Shannon Yarmuch. 780 405 1633. Fort Saskatchewan. [yarmuch77@gmail.com](mailto:yarmuch77@gmail.com). Additional photos on Web Classifieds.

**Parts Wanted:** Steering box (or complete column) for a 1947 Canadian Dodge sedan. Hollander claims any 1942-48 Plymouth or Dodge car except 7-pass & limos will interchange. Mine is worn and I need a decent replacement box or a tired one to rebuild. Chris Bamford, 780-445-0156, [chrisjbamford@hotmail.com](mailto:chrisjbamford@hotmail.com)
